New Business

A motion was made by Pete Paduch and seconded by Carl Walsh to donate \$250 to the National GWP Club to sponsor a hospitality venue at the 2008 Nationals.

Motion passed unanimously.

There will be no fall hunt test unless a member steps forward to chair the event. Charlie Kissinger is contemplating the position.

Club members would like to hold a monthly training day at revolving sites in the area. These venues would need to have water for water work. Some of the sites mentioned were Assapink, Colliers Mills, Weatherly, and Nockamixin. Charlie Kissinger will look into these places for available dates.

A discussion was held on whether to move the annual meeting to another event in the spring. It was decided to keep the meeting at the Trenton show.
