Discussions: New Business:

Charlie spoke of the clubs future, should we try to keep this club alive? Everyone agreed that we should keep the club going. We talked about having more events (if we had the help), training days were discussed but members would have to help with finding places

other than Colliers Mills in N.J. Some members agreed to look into it. Raising the Dues was brought up, discussed and then agreed not to raise them now. Increasing the membership was discussed, with some suggestions, but with no positive ideas. Jerry Krepak took the ball and said if he can get the right date he would run a fall hunt test and Kathie Tufano said she would be the secretary if the dates were good for her also. Dennis Dec also stepped up and said that he might be able to take the Spring Hunt Test over to give Jerry a break.

FOLLOW UP: We will be having a Fall Hunt Test October 30-31, 2010. We are hopeful to continue with our Spring Hunt Test in May of 2011. The water test was brought up and discussed, Linda Krepak said that she needed one and Charlie had an email from someone who needed one also. Charlie said he would look into it and find out how many people we could get, and maybe get someone to do a seminar of some sort. FOLLOW UP: Charlie sent out emails with thought of having a water test with only one reply from a non- member. Charlie said if he can find a place were it can be held with out permits and just AKC's cost he might be able to pull it off. (Not dead but close)

The Spring Hunt Test was held at Freeland Kennel Club, Weatherly, Pa. on May 29, 30 2010. Chairman for this event was Jerry Krepack. The Hunt Test was a success. It brought in much needed money for the treasury. There were a total of 56 dogs entered of various breeds. 18 in Masters, 6 qualifying, Seniors,11, 3 qualifying, Juniors, 27, 21 qualifying.

Shows: Trenton

Charlie gave a special Thanks to Joyce Wilkinson and Audrey Meinke for

doing all the work on this event for the past years. “ You Gals did a Great Job for a small club and resources”. Thanks Again. Joyce has stepped down as Chair, but Bernee came up with a good game plan, she would see about moving the show from Trenton to the Saturday show at the Grange fair ground shows, outside of Newtown, Pa. This would be closer to her place and if everything worked out we could all go back to her house for the meeting, food and some fun things on Saturday. If anyone wanted to camp over or come back on Sunday for some field work they could do so. This would be a total fun thing. Thanks Bernee for jumping in.

This is the Clubs first Newsletter since April 2009. We wanted to get this out as quick as possible to let our members and future members know that we are alive and well. I will be doing the Newsletter and hope to improve as we continue to move forward.

PLEASE send me all News Worthy articles for future Editions.
